

## SAN TAN MONTESSORI PRIVATE PRESCHOOL PROGRAM ACTIVITY FEES

**Student Name:** \_\_\_\_\_ **Age:** \_\_\_\_\_ **DOB:** \_\_\_\_/\_\_\_\_/\_\_\_\_

San Tan Montessori Private Preschool brings in programs which align with Dr. Maria Montessori’s philosophy and vision. The Music Together™ program, Carter’s Farm, and our Outdoor Environment experiences provide learning extensions and multi-sensorial experiences inside and outside of the classroom.

### **Program Annual Fee: \$200**

#### **Music Together™**

The Music Together™ Preschool program certified specialist provides children with a weekly opportunity to learn music in developmentally appropriate ways. Recordings, songbooks, and teaching materials are provided to each classroom. Music Together™ materials allow children to “bring the music home.” CD sets, music books, and supporting materials are sent home for parent-child musical play, sharing the songs and activities experienced in school.

#### **Carter’s Farm**

A connection to Nature and the development of Practical Life skills are embedded throughout our Preschool experience. One way in which we bring the real world into our San Tan Private Preschool learning experience is through our partnership with Carter’s Farm. A farmer visits our Preschool every few weeks, bringing with them a variety of farm animals to introduce to our students. The children learn about the animals through teaching and hands-on experience; developing their social skills through conversation and class teamwork.

#### **Outdoor Environment**

Our Outdoor Environment activities enable our students to strengthen their connection with Nature through ongoing exploration of the seasons, gardening, tending to the Montessori Hens, as well as flexibility to bring classwork outside. Science work is explored through various projects including studying plant growth patterns inside through our tower gardens vs. outside gardening. Students enjoy harvesting, prepping, eating, and selling the fruits, vegetables, and herbs they have grown.

#### **Payment Options:**

- One-time \$200**
- Half payment of \$100 – Due Oct. 11<sup>th</sup> and Feb. 11<sup>th</sup>**

#### **Payment Source:**

- Use Credit Card on file**
